

GUIDELINES TO BE FOLLOWED BY THE MEMBERS OF POST RETIREMENT MEDICAL BENEFITS SCHEME

The Post Retirement Medical Benefits Scheme is a user friendly scheme. The genuineness of claim is basic and foremost criteria for the reimbursement of claims. However, a broad guidelines is set for the convenience of the members and also to ensure the smooth running of the PRMS scheme.

Procedure for reimbursement of claims:

- Application on plain paper may be submitted to Registrar, IIT Bombay along with the following documents:
 - i. Xerox copy of discharge card.
 - ii. Xerox copy of the I-Card with signature of the treating Doctor.
 - iii. All bills in original.

- Reimbursement of the following will be allowed even when no hospitalization is done:
 - i. Dialysis
 - ii. Radiation therapy for Cancer.
 - iii. Chemotherapy will be reimbursed as a special case.

- In case of emergency first 6 (Six) days treatment in no recognized hospitals would be reimbursable. After six days the patient may be moved to the Govt. / Municipal or recognized hospitals.

- Pre & Post maintenance of medical treatment is not reimbursable.

- Domiciliary hospitalization is not reimbursable.

- No reimbursement will be allowed for any other line of treatment like Ayurvedic and Homeopathy etc.

- IIT Hospital is not available for indoor treatment.
