Accommodation

Limited and chargeable accommodation is available at IIT's and nearby guest houses from November 12 to 14, 2010 on first come-first served basis, if requested before October 31, 2010.

Transport

All participants are requested to make own travel arrangements.

Invitation from Prof. Devang Khakhar, Director

Dear Alumnus:

With great pleasure I invite you to RSC-2010 on November 13, 2010! This is an event organized to recognize your contribution to the progress of your alma mater in the fields of research and academics. It will give you an opportunity to meet your Professors as well as contemporaries and share some nostalgic thoughts. You may visit the experimental and computing labs where you spent significant portion of your life in a productive manner. You may also come to know what your successors and current research scholars in the Departments are doing and might give them a word of advice based on your experience and wisdom.

Please consider this as my personal invitation to attend RSC-2010!

With warm regards,

Yours sincerely,

Devang Khakhar

Director, I I T Bombay
