Submission of a bid by a bidder implies that he has read this notice and all other contract documents and has made himself aware of the scope and specifications of the work to be done and of conditions and other factors having a bearing on the execution of the work.

13. The competent authority on behalf of the Director, Indian Institute of Technology Bombay does not bind itself to accept the lowest or any other tender and reserves to itself the authority to reject any or all the tenders received without the assignment of any reason. All tenders in which any of the prescribed condition is not fulfilled or any condition including that of conditional rebate put forth by the tenderer shall be summarily rejected.

14. Canvassing whether directly or indirectly in connection with tenders is strictly prohibited and tenders submitted by the contractors who resort to canvassing will be liable to rejection.

15. The competent authority on behalf of the Director, Indian Institute of Technology Bombay reserves to himself the right of accepting the whole or any part of the tender and the tenderer shall be bound to perform the same at the rate quoted.

16. **The tender for the works shall remain open for acceptance for a period of THIRTY (30) days from the date of Opening of the Financial Bid.** If any tenderer withdraws his tender before the said period or issue of letter of acceptance which-ever is earlier, or makes any modifications in the terms and conditions of the tender which are not acceptable to the department, then IITB shall without prejudice to any other right or remedy, be at liberty to forfeit the 50% of said earnest money as aforesaid. Further the tenderer shall not be allowed to participate in the re-tendering process of the work.

17. This Notice Inviting Tender shall form a part of the contract document. The successful tenderer on acceptance of his tender by the Accepting Authority, shall, within 15 days from the stipulated date of start of the work, sign the contract Agreement consisting of:-
The notice inviting tender, all the documents including additional condition, specifications and drawing, if any, forms of the tender as issued at the time of invitation of tender and acceptance thereof together with any correspondence leading thereto.

18 For composite tenders

a. The bidders must associate himself, with agencies of the appropriate class eligible to bid for each of the minor components individually.

b. The eligible bidder shall quote rate of all items of major component as well as for all items of minor components of work.

c. Entire work under the scope of composite bid including major and all minor components shall be executed under one agreement.

d. In case the main contractor intends to change any of the above agency / agencies during the operation of the contract, he shall obtain prior approval of Engineer-In-Charge. The new agency/agencies shall also have to satisfy the laid down eligibility criteria. In case the engineer In-charge is not satisfied with the performance of any agency he can direct the contractor to change the agency executing such items of work and this shall be binding on the contractor.

e. The main contractor has to enter into agreement with contractor(s) associated by him for execution of minor component(s). Copy of such agreement shall be submitted to Engineer-in-charge. In case of change of associate contractor, the main contractor has to enter into agreement with the new contractor associated by him.

f. The composite work shall be treated as complete when all components of work are completed. The completion certificate of the composite work shall be recorded by Engineer-in-charge of major components after record of completion certificate of all other components.

g. Final bill of whole work shall be finalized and paid by the Engineer-in-charge.

19 The tenderer must associate with agencies that are technically and financially capable for the other components individually. The list of proposed agencies shall be submitted along with organization details, annual turnover, list of work carried out / executing, list of technical persons employed and a valid license, along with the tender.

20 The tenderer shall quote his rate as per various terms and conditions of the tender forms. The rate quoted in the tender form shall be written in figures and words, failing which the bid will be liable for disqualification.

21 The department reserves the right to reject any prospective application without assigning any reason and to restrict the list of qualified contractors to any number deemed suitable by it, if too many bids are received satisfying the laid down criterion.

22 It will be obligatory on part of the tenderer to sign the tender document for all the components (Schedule of Quantities, conditions, special conditions and Performa schedules etc.)
