INDIAN INSTITUTE OF TECHNOLOGY BOMBAY (IITB)
OFFICE OF DEAN (IPS)
AMENDMENT -2 TO NOTICE INVITING TENDER NO. IITB/DIPS/COPT/TENDER/02

Date: 25.08.2023

Subject: Tender for 'Construction of Centre for Propulsion Technology (COPT) Building (ground plus 6 upper floors) including finishing works, internal water supply, sanitary and electrical installations, firefighting, fire alarm and ELV systems, lifts, Airconditioning, external development and furniture works at IIT Bombay, Powai, Mumbai – 400076

Ref: 1. Notice Inviting Tender no. IITB/DIPS/COPT/TENDER/02 Dated 18.07.2023

2. Pre-Bid Queries & Responses / Clarifications uploaded on 18.08.2023

The Response provided for Query Sl.no. 24 of 'Pre-Bid Meeting Queries and Responses to Notice Inviting Tender NO. IITB/DIPS/COPT/TENDER/02 dated 18.08.2023' is revised as under:

Query no.24: BOQ item no.6.13 (page no.16): As per item ceramic mosaic tiles with 20 mm thick cement mortar in two coats. Kindly confirm this item includes plaster or not, as the separate 15 mm plaster item is available under item no.8.3 and 8.4.

Updated Response: First coat of external Cement plaster as levelling course is separate item under BOQ item no.8.3 and 8.4 (page 19 of BOQ). Ceramic mosaic tiles to be fixed on Chemical Adhesive and grouting the joints with polymer cement grout of matching colour as per the manufacturer's specification and instructions.

Thus the item no. 6.13 of BOQ under Part D2 of the subject Tender is modified as below:

<table>
<thead>
<tr>
<th>Sl No</th>
<th>Part D2- Item no. and page reference</th>
<th>Amended description of the item</th>
</tr>
</thead>
</table>
| 1     | Item No.6.13; BOQ Page No.16         | "Providing and fixing at all heights ceramic mosaic tiles of approved make and size of 50 mm x 25 mm, of approved colour and texture and in the approved pattern in combination with other cladding material, fixed with chemical adhesive and joints grouted with colour cement polymer grout matching with ceramic mosaic tiles and the surface of other cladding materials used in the pattern including scaffolding, curing, cleaning with soap water and acid all as per manufacturer's specifications, drawings and as directed.

Note: Base / levelling course of 15 mm thick external plaster is paid under relevant item."

Note: The above amended description also supersedes the description provided under Sl no.4 of Attachment -2 to 'Pre-Bid Meeting Queries and Responses to Notice Inviting Tender NO. IITB/DIPS/COPT/TENDER/02 dated 18.08.2023'
