### Notes pertaining to academic activities for Academic Year 2018 - 19

1.	Attendance in classes is mandatory from the very beginning of the semester. Students who miss even a single lecture from among the first three lectures of a course are liable to have themselves de-registered from the corresponding course.
2.	Many academic units organize orientation programmes for teaching assistants (TAs) and R&D orientations for new <b>PG</b> and <b>UG</b> entrants. An Institute level orientation is also often organized for these purposes. Attendance and participation in the orientation programme is mandatory for <b>TAs</b> . Absence from the same will make the <b>TAs</b> liable for a financial penalty in the scholarship / financial support. All academic units / instructors of Institute core courses are expected to organize the orientation in a format that they find appropriate to enable the best use of the services of the <b>TAs</b> .
3.	Saturdays / Sundays may be used to conduct mid-semester and end-semester examinations. An effort is normally made to exclude Sundays and public holidays for mandated academic activities, including exams.
4.	<b>Registration</b> for <b>half-semester</b> courses should also be completed at the beginning of the semester.
5.	While <b>adjusting</b> the courses (including dropping of courses), students should ensure that the prescribed load, as approved for each programme, is maintained.
6.	<b>Re-examination</b> will be conducted by the academic office for students in courses where they are awarded II / FF grades
7.	Dates for <b>payment of fees</b> by new entrants will be informed to the candidates while offering admission and put up also on IITB website. These dates could be different for various programmes offered by the Institute.
8.	Students other than the new entrants can deposit fees for the forthcoming semester as per schedule displayed by the academic office prior to the end of the examination for the earlier semester.
9.	<b>The scheduled classes cancelled due to public holidays / exigency situations may be adjusted during Saturday / Sunday with approval from Dean (Academic Programme).</b>
10.	A schedule of adjustments in the Institute time-table will be announced, if needed, to provide around 38 - 41 instruction hours in each six credit course and to approximately balance the number of instruction hours in the two halves of a semester.
11.	<b>Morning classes on 19.07.18 (Thursday) and 20.07.18 (Friday) for on-roll students in LA classrooms will stand cancelled due to registration / orientation programme for new entrants.</b>

### **Notes pertaining to Dissertation / PhD Annual Progress Seminar**

<b>1.</b>	PhD students with CSIR / UGC fellowships and supported by other similar agencies can schedule their Annual Progress Seminar by considering requirements of funding agency. The schedule must be maintained in a consistent manner.
<b>2.</b>	For evaluations of Masters' / Dual Degree Dissertations, the evaluation schedule in a given academic unit may be spread over a large enough segment with the permissible time-window to allow possibilities of adjustment of evaluation date(s) and prevent overloading the faculty members with too many evaluations on a single day.
<b>3.</b>	For project / dissertation / credit seminar related presentations, report / dissertation should be submitted at least seven days prior to the date of presentation / assessment.
