Notes pertaining to academic activities

1.	Many academic units organize orientation programmes for teaching assistants (TAs) and R&D orientations for new PG and UG entrants. An Institute level orientation is also often organized for these purposes. Attendance and participation in the orientation programme is mandatory for TAs . Absence from the same will make the TAs liable for a financial penalty in the scholarship / financial support. All academic units / instructors of Institute core courses are expected to organize the orientation in a format that they find appropriate to enable the best use of the services of the TAs .
2.	Saturdays / Sundays may be used to conduct mid-semester and end-semester examinations.
3.	Registration for half-semester courses should also be completed at the beginning of the semester.
4.	While adjusting the courses (including dropping of courses), students should ensure that the prescribed load, as approved for each programme, is maintained.
5.	Re-examination will be conducted by the academic office for courses in which the students have been awarded FF grades and II, if required.
6.	Dates for payment of fees by new entrants will be informed to the candidates while offering admission and put up also on IIT Bombay website. These dates could be different for various programmes offered by the Institute.
7.	Students other than the new entrants can deposit fees for the forthcoming semester as per schedule displayed by the academic office prior to the end of the examination for the earlier semester.
8.	<ul style="list-style-type: none"> • Friday (06.09.2019) to be treated as Monday [Before Mid-sem] • Monday (28.10.2019) to be treated as Tuesday [After Mid-sem] • The scheduled classes cancelled due to public holidays / exigency situations may be adjusted during Saturday / Sunday with approval from Dean (Academic Programme).
9	A schedule of adjustments in the Institute time-table will be announced, if needed, to balance the number of instruction hours in the two halves of a semester.

Notes pertaining to Dissertation / PhD Annual Progress Seminar

1.	PhD students with CSIR / UGC fellowships and supported by other similar agencies can schedule their Annual Progress Seminar by considering requirements of funding agency. The schedule must be maintained in a consistent manner.
2.	For evaluations of Masters' / Dual Degree Dissertations, the evaluation schedule in a given academic unit may be spread over a large enough segment with the permissible time-window to allow possibilities of adjustment of evaluation date(s) and prevent overloading the faculty members with too many evaluations on a single day.
3.	For project / dissertation / credit seminar related presentations, report / dissertation should be submitted at least seven days prior to the date of presentation / assessment.
