

INDIAN INSTITUTE OF TECHNOLOGY BOMBAY  
ACADEMIC OFFICE

Date: 15<sup>th</sup> December, 2017

Sub.: Request for extension of date for payment of Semester Fees and Mess Advance

The Academic Office have received many requests from JRF students who are already under DBT scheme to extend the due date for payment of Semester Fees and Mess Advance as they have not yet received their fellowships from the sponsoring agencies (UGC/CSIR/DST). (Applications are enclosed for reference).

Further it is pointed out that the JRF awarding agencies such as UGC; CSIR etc. have adopted DBT scheme and they have stopped remitting/refunding funds to the Institute under this provision. Recently the UGC has also expanded its ambit of DBT for those students who were left. Accordingly in view of their directives, recently the academic office updated details of all leftover UGC students on their portal for payment of fellowship through DBT. Consequently payment of fellowship from the Institute fund to all such students had been stopped after October, 2017.

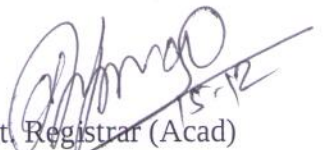

Now a few of these students have informed that they have not received their fellowships through DBT. The Academic Office constantly communicates with UGC but with no positive avail.

The Gen.Sec.Acad.Affairs (PG) has also been pursuing this matter and has recommended to extend the due date for payment of fees. Copy enclosed.

In view of the above, request of the students for extension of due date for payment of fees appears to be justified. It is therefore recommended that the due day for payment of Semester Fees and Mess Advance for UGC, CSIR and DST students may be extended upto 30<sup>th</sup> January, 2018 without fine. (A) They will be allowed to register online for the ensuing semester.

Submitted for orders plz.
