1. Why do you need a Master's Degree in Design or why would you like to become an Interaction Designer?

________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________

2. What are your professional and research interests?

________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________

3. Mention briefly your extra-curricular activities and spare time interests:

________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________

4. Please complete tasks A, B & C mentioned below and enclose with the application form

Task (A) Cutout one article of your interest from a newspaper or magazine not exceeding 500 words and write a brief critique on it (within 100 words). Enclose the clipping also.

Task (B) Select three different examples (for discipline of design you have applied for) from India which you consider to be particularly good or bad. Write critical comments on each example (within 150 words for each example). Illustrate the examples in freehand using any medium (pencil, pen, poster colours, etc.) on sheets of A4 size.

Task (C) Include three examples of the works done by you as part of your portfolio (for discipline of design you have applied for). They could be sketches, artworks, photographs, storyboards, etc. shown or photo copied on A4 size sheets.

I hereby declare that the tasks A, B and C submitted by me have been done by me and that all entries in this form as well as the attached documents are true to the best of my knowledge and belief.
