Guidelines to be followed for offering a Summer Course

The summer term is not a regular semester. However, during a summer term, an academic entity may offer a summer course to enable the students to clear their backlog courses and/or regular credit courses, subject to strict adherence to the following guidelines.

i. The course instructor(s) / faculty(ies) should be willing to offer the course. The DUGC should recommend offering of such a summer course for consideration and approval of the Dean of Academic Programmes. The course is offered on approval of the Dean of Academic Programmes.

ii. The course is offered with adequate rigor and in the same manner as a regular semester course is offered. Students who have no backlog, can also register for a summer course, provided it is offered.

iii. The duration of the course is eight to ten weeks. The registration, examination and assessment and grading etc. are done in the same way as is done for regular semester courses. The total number of contact hours for the courses remains the same as that during the regular semesters, and therefore, the courses run at accelerated pace. (for example 6 hours of instructions per week is expected for a 3-0-0 course) The Academic Calendar in this connection are strictly followed.

a) Last date of registration for Summer Course : Before 14/5/2019
b) Duration of Summer Course : 16/5/2019 to 4/7/2019
c) Examinations : 5/7/2019 to 8/7/2019
d) Last date for showing answers scripts : 9/7/2019
d) Last date for online grade submission : 10/7/2019

iv. The dropping of a Summer Course is permitted within 7 days from the first lecture of the course. Fee is not refundable.

v. Re-exam is permitted on the same terms and conditions as for a course in the regular semester. The re-examinations, if any, will be scheduled with those for the Spring semester.

vi. Time slots will be assigned by or communicated to the Academic Office as for the regular semester courses.

vii. A student can register for a summer course if he/she (a) has a backlog in the same course OR (b) has 3 or more backlogs in other courses and those courses are not running as summer course.

viii. The Instructors will award a “FR” grade to students who fail to adhere to 80% attendance for the summer course.

ix. At least 05 students should register for the summer course. The attendance record should be maintained and the minimum of 80% attendance is compulsory.

x. Students with FR/DX/DR/W grade in mandatory courses can take up to a maximum of 24 credits in a Summer Semester. The mandatory courses refer to (core + hss + department & institute electives). A student can only register for a core course in summer if they have received FR/DX/DR/W grade in the same course during the semester. These restrictions do not apply after the expiry of the regular programme duration (4 years for B. Tech, B. Des, B. S. students, 5 years for Dual Degree).

xi. Courses offered in a summer term will be treated as equivalent to a regular semester courses for all accounting purposes.

xii. An amount of Rs.1500/- per credit be charged for the summer course. A typical 6 credit course requires a fee of Rs.9,000/-. No summer fee for SC/ST/PD students.
