Dear shortlisted candidates

You are being invited to appear for the online qualifying exam for Ph.D. admissions in the Department of Aerospace Engineering, which is going to be conducted on 29th April-2021. We have taken steps to ensure the integrity of the selection process is maintained. We also expect that all of you would cooperate with us in maintaining and ensuring the sanctity of this selection process. In this regard we have created a set of guidelines and instructions to be followed by each shortlisted applicant. Please go through ALL of the following links carefully:

(a) Detailed instructions and timelines for the admission
process: https://www.aero.iitb.ac.in/home/admission-announcement
(b) SAFE App Login & Setup Instructions: https://www.aero.iitb.ac.in/home/pdf/SAFE_Login.pdf
(c) Video Instructions for Full-View Proctoring: https://youtu.be/jd0BLRgR5T0
(d) Screen recorder captured video for reference: https://youtu.be/Pf-1YXAMdek

You are requested to check the department link (https://www.aero.iitb.ac.in/home/admission-announcement) regularly in an unlikely event of any modifications in the schedules. We will also try to email any modifications in the schedule, however, the website link given above would be the primary means of further communication.

We once again would reiterate our request to read the instructions in the attachment or the weblink diligently and finish all the action items as per the given schedule.

Regards,
Admissions committee
Department of Aerospace Engineering, IIT Bombay
