

Message from the Head, Department Of Chemical Engineering

Ph.D. interviews, Autumn Semester 2021-22

1. **Interview:** An online interview (Video Conference mode) through WebEx/Google-meet/Zoom etc. will be conducted from 17 to 20 May 2021. The exact date and slot/time of the interview will be uploaded at <https://www.che.iitb.ac.in/phd-admission-information> on or before 14 May 2021.

2. Detailed information regarding interview:

For detailed information about the selection procedure, online interview process, and TAP/FA topics, visit <https://www.che.iitb.ac.in/phd-admission-information>
This webpage is updated frequently.

3. If you are called for the interview, do the following:

- email your project report to phd.chemical.iitb@gmail.com on or before 7 May 2021. Rename your project report as "RCL _project.pdf" (e.g. RCL202110292_project.pdf). In the subject of the mail, please write your RCL number. *Please do not use this email id for any other communication.*
- submit your preferences for the TAP/FA topics. For this purpose, you should review the topics which will be made available after 30 April 2021. You have to submit your preferences in a form made available at: <https://www.che.iitb.ac.in/phd-admission-information>. You have to complete and submit the form on or before 7 May 2021.
- prepare 3-5 slides on your project/thesis/dissertation work. You should present in about **five minutes**, the objectives of your work, methodology used, key results and conclusions.

Please visit the above department website frequently for updated information.
