**Sub: Selection Process for Admission to Ph.D. Programme in IDP in Climate Studies for 2021-2022 (Autumn Semester)**

Dear Candidate,

This is with reference to your application for the PhD program in IDP in Climate Studies at IIT Bombay. Congratulations! Your application has been shortlisted for further evaluation and processing.

I hope that you and everyone in your family are doing well in these times of Covid-related crisis. Keeping in view the current situation, the July 2021 PhD admission process in the IDP in Climate Studies has been modified as compared to our regular procedure. You may find the overall procedure in our website:

<https://www.climate.iitb.ac.in/en/event/phd-admissions-2021-22-autumn-semester>

By now, you would have received detailed instructions on how to proceed further from the admissions coordinators. If you are shortlisted after the next stage, the final interviews by the selection committee would be based on video-conferencing mode through WebEx/Google-meet/Zoom etc. and will be conducted between May 13-15, 2021. The exact date and slot/time of the interview and other details will be shared with you in due course. Please get in touch with the admission coordinators or with me if you have any further questions about the admission procedure.

Wish you good luck!
