The candidates shortlisted for Ph D admissions process for Autumn Semester of 2021-22

Dear Ph D Applicants,

Greetings from Shailesh J Mehta School of Management, IIT Bombay.

Congratulations on being short listed for Ph D admission process. The admission process consists of presentation on research proposal followed by interview. Due to pandemic situation we are not conducting written test this year. The entire process will be through an online mode and scheduled for 20-22 May 2021. Link for joining the process will be shared in due course of time. Here is the link for FAQs: <https://www.som.iitb.ac.in/wp-content/uploads/2018/10/FAQs-.pdf> If your query is not answered in FAQs, pl send your queries to [phdcoord@som.iitb.ac.in](mailto:phdcoord@som.iitb.ac.in)

Shailesh J. Mehta School of Management (SJMSOM) is one of the academic units of the Indian Institute of Technology Bombay (IIT Bombay). SJMSOM commenced its academic programs in 1995 with the mission of nurturing intellectual capital by leveraging on research, teaching, training, consultancy and collaborations within the IIT Bombay ecosystem and beyond.

The School has been supported by contributions from Hindustan Lever Ltd. (now Hindustan Unilever Ltd.), Larsen & Toubro Ltd., ICICI Bank, Hindi Vidya Bhavan and Dr. Shailesh J. Mehta, a distinguished alumnus of IIT Bombay.

Our academic programs include PhD, MBA, and Executive MBA (jointly with Olin Business School of Washington University at St Louis, USA). More than 100 graduated with Ph D degree and they are working in leading academic institutions like IITs, IIMs and also in industry. At present we have over 60 Ph D scholars.

SJMSOM is proud of its committed faculty members who have worked hard for their achievements in teaching, research, training, and consultancy. They have earned best teacher awards, prestigious research awards, fellowships, and visiting professorships at leading international universities. Their research work is published in top-ranked journals, converted into intellectual property rights (IPRs) and books, and has often won accolades and awards for being the best paper presentations at leading international conferences. SJMSOM faculty have the distinction of being on the editorial boards of leading journals, authoring many high-quality books, and being involved in providing advisory services to corporates and various government agencies.

More information about SJMSOM and our Ph D program is available at : <https://www.som.iitb.ac.in/>

Looking forward to see you at SJMSOM,

Best Wishes,  
Prof S N Rao
