Corrigendum- I

(PR No.1000054854, RFx No.610002970)

GPU Server

Sr. No./ Clause No.	Description	Technical Specification	
		Previous Clause	Changed Clause
3	Processor	Processor Family: AMD EPYC or Intel Xeon (latest generation) or equivalent Base frequency: 2.6 GHz or better per processor Cache: 4 MB or higher per core Sockets: 2 (Identical processors) Physical Cores: 96 per processor (Total 192 cores) Thermal Design Power (TDP): 360W or lower per processor	Processor Family: AMD EPYC or Intel Xeon (latest generation) or equivalent Base frequency: 2.6 GHz or better per processor Cache: 4 MB or higher per core Sockets: 2 (Identical processors) Physical Cores: 96 per processor (Total 192 cores) Thermal Design Power (TDP): 400W or lower per processor
4	Memory	2,304 GB DDR5 ECC RDIMM, supporting up to 6 TB total memory within the system. Note: The quoted memory frequency shall be the highest memory frequency supported by the proposed processor. Any deviation between the quoted memory frequency and the processor's supported memory frequency may lead to rejection of the bid.	2,304 GB DDR5 ECC RDIMM, supporting up to 6 TB total memory within the system. Note: The quoted memory frequency shall be 5600 Mhz or higher, and be supported by the processor.
12.	Certification	The proposed system shall be	Deleted

		operating systems on the official OEM website, and the offered model number must be visible on the OEM website along with documented OS support information.	
17.	Other Terms & Scope of Works:	(C) Bidder should submit a minimum of 3 number of similar PO of solution supplied by them in the last 2 financial years along with the respective installation report as a proof of their expertise of supplying & maintaining the solution.	Bidder should submit a minimum of one similar PO of solution supplied by them in the last 2 financial years.
		(E) The OEM shall provide an online service-request facility on its official website for raising any concerns or support requirements.	Deleted
		(H) OEM must share dedicated drivers download link for quoted specific models from OEM website.	Deleted
18.	Delivery Period	Not mentioned	12 Weeks
