 - I. Non- submission of complete offers.
 - ii. Receipt of offers after the due date and time and or by email/fax (unless specified otherwise).
 - iii. Receipt of offers in open conditions.
3. In case any BIDDER is silent on any clause mentioned in this tender document, IIT Bombay shall construe that the BIDDER has accepted the clauses as per the invitation to tender. No further claim will be entertained.
4. No revision in the terms and conditions quoted in the offer will be entertained after the last date and time fixed for receipt of tenders.

M. PRICE BID (Commercial Bid):

1. Price bids of only those bidders who are found technically qualified shall be opened.
2. PRICE BID must be submitted in the enclosed Price Bid Form only. If the price is not quoted as the Price Bid Format, IIT Bombay will reject the bid.
3. If the supplier wishes to give pricing details it may be attached in a separate sheet.
4. In case of multiple options of the same product, bidders are requested to quote only one best option and not multiple options.
5. Quantity: The quantity mentioned in the tender can be increased or decreased to any extent depending upon the actual requirement.
6. IIT Bombay reserves the right to reject abnormally high or abnormally low discount rates quoted by the bidders.

N. CORRUPT & FRAUDULENT PRACTICES:

1. IIT Bombay requires that bidders, suppliers, contractors, and consultants, if any, observe the highest standard of ethics during the procurement and execution of such contracts. In pursuit of this policy,

i. The terms set forth below are defined as follows:

- a. "Corrupt practice" means offering, giving, receiving, or soliciting, directly or indirectly, anything of value to influence the action of a public official in the procurement process or contract execution;
- b. "Fraudulent practice" means a misrepresentation or omission of facts to influence a procurement process or the execution of a contract;
- c. "Collusive practice" means a scheme of arrangement between two or more bidders, designed to establish bid prices at artificial, non-competitive levels; and
- d. "Coercive practice" means harming or threatening to harm, directly or indirectly, persons or their property to influence their participation in the procurement process or affect the execution of a contract;

ii. IIT Bombay will reject a proposal for an award if it determines that the Bidder recommended for award has, directly or through an agent, engaged in corrupt, fraudulent, collusive, or coercive practices in competing for the Contract in question.

O. TRANSFER AND SUBLETTING:

1. The seller shall not sublet, transfer, assign, or otherwise part with the acceptance of the tender or any part thereof, either directly or indirectly, without the prior written permission of the purchaser.

P. CANCELLATION OF TENDER:

1. Notwithstanding anything specified in this tender document, Purchaser / IIT Bombay in his sole discretion, unconditionally and without assigning any reasons, reserves the rights:
 - i. To accept OR reject the lowest tender or any other tender or all the tenders.
 - ii. To accept any tender in full or in part.
 - iii. To reject the tender offer not conforming to the tender's terms.
2. To give purchase preference to Public Sector undertakings when applicable as per Govt. Policy/ Guidelines.
3. Offer which deviates from the vital conditions (as illustrated below) of the tender shall be rejected:
 - i. Non-submission of complete offers.
 - ii. Receipt of offers after the due date and time and or by email/fax (unless specified otherwise).
 - iii. Receipt of offers in open conditions.
4. Conditional Tenders and Unsigned Tenders will be rejected.
5. If the quality of the product and service provided is not found satisfactory, IIT Bombay reserves the right to cancel or amend the contract.

SECTION 4 – SCOPE OF WORK

1. The Pharmacy shall stock drugs and medicines as per the lists (List I, List II, and List III) provided by the In-charge, IIT Bombay Hospital, upon award of the contract. All medicines included in the approved lists shall be available at all times in the outsourced pharmacy.
2. The Pharmacy shall dispense medicines only against valid prescriptions or requisitions issued by IIT Bombay Hospital. Medicines shall be issued in cut strips strictly in accordance with the prescribed quantity.
3. The Pharmacy shall maintain inventory with medicines having at least two-thirds of their remaining shelf life.
4. The Pharmacy may sell medicines other than those included in the approved lists to the students and employees of IIT Bombay against a valid prescription issued by a registered medical practitioner and upon production of a valid Institute Identity Card, at the agreed discount rates.
5. The Pharmacy shall remain open from 7:00 a.m. to 10:00 p.m. on working days and from 9:00 a.m. to 5:00 p.m. on Saturdays, Sundays, and holidays. The operating hours shall be prominently displayed outside the pharmacy, and medicines shall be dispensed throughout the prescribed working hours.
6. The Pharmacy shall be established within the designated outlet inside the IIT Bombay Hospital premises.
7. All expenses relating to the establishment and operation of the pharmacy, including furniture, fixtures, internet connectivity, telephone, and other infrastructure, shall be borne by the Pharmacy. The Institute shall provide electricity and water on a chargeable basis at the applicable Institute rates.
8. The Institute shall not provide any manpower for the operation of the pharmacy. The Pharmacy should have at least 2 qualified, registered pharmacists in each shift. All pharmacists shall be properly trained in patient handling and professional conduct. If any deficiency in staffing or services is observed, IIT Bombay reserves the right to terminate the contract without prior notice.
9. The Pharmacy shall appoint a Manager/Supervisor who shall act as the single point of contact with the Institute and its beneficiaries and shall be responsible for all operational coordination.
10. The successful Pharmacy shall obtain and maintain a valid Retail Drug License, valid for at least three years, from the appropriate Government authority under the provisions of the Drugs and Cosmetics Act, 1940 and the Drugs and Cosmetics Rules, 1945, for operating the pharmacy at IIT Bombay Hospital.
11. The Pharmacy shall possess and maintain all statutory licenses and approvals required for stocking, storing, and dispensing medicines throughout the contract period.
12. The Pharmacy shall complete all statutory formalities, including obtaining the necessary Drug License from the State Drug Controller, for commencing operations in the allotted premises within one month from the date of allotment.
13. All medicines supplied through the pharmacy shall be labelled in red with the words "**Not for Sale.**"
14. The Pharmacy shall implement barcoding for all medicines and consumable items and install optical barcode scanners at all points of sale.
15. The Pharmacy shall make arrangements to stock and supply specialized medicines and items included in List III as and when required.

16. The Pharmacy shall obtain prior written approval from the IIT Bombay Hospital Authority before stocking any medicines or items not included in the approved lists.
17. The Pharmacy shall maintain a computerized inventory and billing system for recording all transactions at IIT Bombay Hospital. The cost of procurement, implementation, operation, maintenance, and upgradation of such software shall be borne entirely by the Pharmacy. The software shall also be compatible with the Hospital Management Information System (HMIS) of IIT Bombay.
18. The authorized representative of the Pharmacy shall attend meetings convened by the Institute or its committees whenever required.
19. The Pharmacy shall maintain its own official letterhead, rubber stamp, seal, and other necessary office stationery.
20. Only qualified and registered pharmacists shall dispense medicines from the Pharmacy outlet at IIT Bombay Hospital.
21. The Institute shall provide approximately 725 sq. ft. of space for the Pharmacy on payment of the applicable monthly license fee. Electricity and water charges shall be payable separately on actual consumption. Failure to pay the license fee or utility charges within the stipulated period shall attract penalties as per the Institute's rules.
22. The Chief Medical Officer (CMO), Senior Assistant Registrar (Hospital Administration), or any person authorized by IIT Bombay or the Hospital Committee shall have the right to conduct surprise inspections of the Pharmacy at any time. Any violations or deficiencies observed during such inspections shall invite appropriate action in accordance with the terms of the agreement.
23. **IT Integration with IIT Bombay Hospital Management Information System (HMIS):**
 - a. The selected Pharmacy shall collaborate with IIT Bombay to design, develop, test, deploy, and maintain a secure and auditable interface between its Pharmacy/Inventory Management System and the IIT Bombay Hospital Management Information System (HMIS).
 - b. The integration shall be implemented using mutually agreed technical standards, including secure APIs, and shall comply with the Institute's information security, confidentiality, and data protection requirements. The Pharmacy shall include in its commercial bid all costs associated with the development, deployment, maintenance, and future modifications required for such integration, and no additional payment shall be admissible during the contract period.
 - c. At a minimum, the interface shall support:
 - i. **Prescription Fulfilment Information:** Transmission of medicines and consumables dispensed against prescriptions, including substitutions, if any.
 - ii. **Non-Availability Reporting:** Real-time reporting of unavailable medicines/items to HMIS for appropriate clinical follow-up.
 - iii. **Inventory Availability Synchronization:** Real-time or near real-time sharing of pharmacy inventory with HMIS to assist doctors in prescribing based on actual stock availability.
 - iv. **Daily Reconciliation:** End-of-day transmission of transaction summaries for audit and reconciliation purposes.

OUTSOURCING OF PHARMACY SERVICES FOR IIT BOMBAY HOSPITAL

- d. The Pharmacy shall ensure that all data exchanged with the HMIS is accurate, complete, timely, secure, and fully traceable. Any failures in data transmission shall be promptly logged, investigated, and rectified without undue delay.
- e. All patient information and transactional data exchanged between the Pharmacy and IIT Bombay shall be treated as strictly confidential and handled in compliance with all applicable laws, including the Digital Personal Data Protection Act, 2023.

SECTION 5 – TERMS AND CONDITIONS

I) AWARD OF CONTRACT:

1. The bidder offering the highest discount on drugs, medicines, diagnostic products, and surgical items shall be considered for award of the contract.
2. The list of medicines and other items to be stocked shall be provided by IIT Bombay Hospital after execution of the contract.
3. IIT Bombay reserves the right to accept or reject the highest discount bid or any other bid, either wholly or partially, without assigning any reason.
4. The empanelled outsourced pharmacy shall comply with all the terms and conditions specified in the Tender Document throughout the contract period.
5. The contract shall initially be awarded for a period of one year and may be extended for a further period of up to two years, subject to satisfactory performance of the Pharmacy.
6. The performance of the empanelled outsourced pharmacy shall be periodically reviewed by the Institute's Committee during the contract period. IIT Bombay reserves the right to add or remove vendors from the rate contract based on their performance, if considered necessary, without prior intimation.
7. The Pharmacy shall bear the cost of electricity and water consumption at the applicable rates as prescribed by the Institute.
8. The Pharmacy shall be provided approximately 725 sq. ft. of space on payment of the applicable monthly license fee as per Government norms. Electricity and water charges shall be payable separately based on actual consumption. Failure to pay the license fee or utility charges within the stipulated period shall attract penalties in accordance with the Institute's rules.
9. The successful Pharmacy shall obtain and maintain a valid Retail Drug License, valid for a minimum period of three years, from the appropriate Government authority under the provisions of the Drugs and Cosmetics Act, 1940 and the Drugs and Cosmetics Rules, 1945, for operating the pharmacy at IIT Bombay Hospital.
10. If the quality of medicines, consumables, pathological kits, or the services provided by the Pharmacy is found to be unsatisfactory at any stage, IIT Bombay reserves the right to amend or terminate the contract without prior notice.

II) EARNEST MONEY DEPOSIT & PERFORMANCE BANK GUARANTEE:

1. The Bidder shall, while submitting the bid, deposit the Earnest Money Deposit (EMD) in the amount specified in the tender document with IIT Bombay.
2. An Earnest Money Deposit (EMD) of **₹5,00,000/- (Rupees Five Lakhs Only)** shall be submitted in the form of a Demand Draft drawn in favour of "**The Registrar, IIT Bombay**", payable at Mumbai, along with the Technical Bid. Bids not accompanied by the prescribed EMD shall be rejected.
3. The EMD of the unsuccessful bidder shall be refunded within 30 days from the date of award of the contract.

4. The EMD of the successful bidder shall be refunded upon submission of a **Performance Bank Guarantee (PBG) of ₹10,00,000/- (Rupees Ten Lakhs Only)** in the prescribed format as provided in **Annexure A4**. The Performance Bank Guarantee shall remain valid and be retained by IIT Bombay until the expiry or termination of the contract and shall not carry any interest. The format for submission of the Performance Bank Guarantee is provided in **Annexure A4**.
5. The Earnest Money Deposit shall be liable to forfeiture if the bidder withdraws, modifies, or deviates from its bid in any respect during the validity period of the bid. The EMD shall also be forfeited if the successful bidder fails to submit the required Performance Bank Guarantee within the stipulated time.
6. In the event of any loss or damage arising from the supply of drugs or medicines, or if the services rendered by the outsourced pharmacy are found to be unsatisfactory, IIT Bombay reserves the right to invoke and forfeit the Performance Bank Guarantee, without prejudice to any other remedies available under the contract or applicable law.

III) TERMS OF PAYMENT:

1. The Outsourced Pharmacy shall submit its bills, along with the corresponding prescriptions, to the Chief Medical Officer every Friday following the close of the respective week. Each bill shall clearly indicate the details of all medicines dispensed during the billing period, including the name of the item, name of the manufacturer, batch number, date of manufacture, expiry date, name of the patient, prescription slip number and date, applicable contract details and any other information as may be required by the IIT Bombay authorities.
2. Payment shall be released within **30 days** from the date of submission of the bill, provided the bill is complete in all respects and duly verified by the Institute.
3. All payments shall be made through electronic fund transfer (EFT) or any other electronic mode of payment as may be adopted by the Institute or its banker from time to time.

IV) PENALTY:

1. In the event of any breach of the terms and conditions of the contract, or if the successful bidder neglects, delays, or fails to perform its contractual obligations, IIT Bombay reserves the right to invoke and forfeit the Performance Bank Guarantee, without prejudice to any other rights and remedies available under the contract or applicable law.
2. **DEDUCTIONS FOR DELAY / DEFAULT**
 1. The Pharmacy shall maintain adequate stock of life-saving drugs and medicines in accordance with the prevailing **CGHS guidelines**, as amended from time to time, and shall ensure their immediate availability upon receipt of an indent or demand from IIT Bombay Hospital.
 2. Where a prescription specifies a particular brand of medicine, the Pharmacy shall dispense only the prescribed brand and shall not substitute it with any alternative brand or generic equivalent without prior approval. If any unauthorized substitution is detected during scrutiny before or after payment, the Pharmacy shall be liable to pay a penalty of **₹1,000**, in addition to the cost of the prescribed specific brand of medicine, for each such instance of default.
 3. The Pharmacy shall ensure continuous availability of all medicines included in the list provided by IIT Bombay. Failure to maintain the prescribed stock shall attract a penalty of **₹100 per prescription** for each instance where the required medicine is unavailable.

4. Medicines not included in the approved list but prescribed by an authorized medical practitioner shall be made available at the Pharmacy within **24 hours** from the time of presentation of the prescription. Any delay in supply without adequate justification shall attract a penalty of **₹1,000 per prescription**.

V) FORCE MAJEURE: Force Majeure will be accepted on adequate proof thereof.

VI) In the event of any dispute over this contract, IIT Bombay's decision shall be final and binding.
