FOR IMMEDIATE RELEASE

IIT Bombay in collaboration with Jaro Education launches Chief Technology Officer Programme

Mumbai | August 30, 2025: The Indian Institute of Technology Bombay (IIT Bombay), in collaboration with Jaro Education, has announced the launch of its Chief Technology Officer (CTO) Programme, an 8-month online initiative designed to prepare senior technology professionals for strategic leadership roles.

The programme is targeted at mid to senior professionals in technology leadership including CTOs, VPs of Technology, IT Directors, and senior architects who are responsible for driving large-scale digital transformation and innovation.

Structured around live faculty-led sessions, real-world case studies, and collaborative projects, the curriculum focuses on the evolving role of technology in shaping business strategy. Participants will gain insights into emerging technologies, enterprise IT management, digital innovation, and leadership skills critical to navigating complex business environments.

On successful completion, learners will receive a Certificate of Completion from Educational Outreach, IIT Bombay.

The Educational Outreach office at IIT Bombay meets the knowledge-upgrading and upskilling needs of professionals in industry, academia & governance.

“This programme is designed to bridge the gap between deep technical expertise and strategic leadership,” said Prof. Rajendra M. Sonar, Faculty Coordinator and senior professor at SJMSOM.

About IIT Bombay, SJMSOM

IIT Bombay, established in 1958, known for excellence in technology, research, and innovation. To meet the growing demand for tech-driven leadership, the Shailesh J. Mehta School of Management (SJMSOM) was set up in 1995 to transform technology professionals into future-ready business leaders.

FOR IMMEDIATE RELEASE

About IIT Bombay

The Indian Institute of Technology Bombay, set up in 1958 as the second IIT, is recognised worldwide as a leader in the field of science and engineering education and research. The Institute was granted the status of 'Institution of Eminence' by the Ministry of Education (the then Ministry of Human Resources Development) on July 9, 2018. IIT Bombay is reputed for the quality of its faculty, cutting edge research, industry relations and the outstanding calibre of students graduating from its undergraduate and postgraduate programmes. The Institute has 17 academic departments, 35 other academic entities (Centres/ Programmes/ Academic facilities/ Hubs/ Externally funded centres and Labs) and three schools. Over the last six decades, more than 75,000 engineers and scientists have graduated from the Institute. It is served by 751 faculty members and about 150 visiting and part-time faculty considered not only amongst the best within the country but also highly recognised in the world for achievements in the field of education and research. On June 4, 2024, IIT Bombay was ranked 1st in India and 118th in the world in the Quacquarelli Symonds (QS) World University Rankings for 2025. On March 12, 2025, IIT Bombay was ranked 28th in Engineering and Technology in the Quacquarelli Symonds (QS) World University Rankings by Subject for 2025.
